

Safety Director : WENCO Construction Company

Safety Director

WENCO Construction Company is looking for a **Safety Director** to join our team. We have a team of 60+ construction professionals, maintaining more than 50% employee retention with over 10+ years working at WENCO. We must be doing something right!!!

WENCO is a commercial general contractor serving the Miami Valley and southwestern Ohio since 1982. We focus on building a strong employee culture to take our customer service to the next level. We specialize in the smallest of service work to multi-million dollar projects, new construction, building additions or alterations, pre-engineered metal buildings, interior and exterior renovations, and general construction.

Some Requirements:

- Minimum of 5 years of Commercial Construction Experience.
- Provide safety services including: job site orientation, training, job site inspections, assist with incident investigations and the injury management process
- Participate in or lead safety meetings
- Create toolbox talks
- Communicate with employees all safety expectations and ensure compliance with the owner and regulatory safety requirements
- Ensure subcontractors adhere to safety requirements while on company job sites
- Prefer the candidate to have a OSHA 30 certification
- Strong verbal and written communication skills are a must

Salary is commensurate with experience and qualifications. Benefits for eligible full-time employees include: vacation, holiday pay, medical, dental, vision and 401K match.

Applicants must have a valid driver's license and reliable transportation. All employees are required to have pre-employment and random drug testing as well as a background check.

WENCO is a drug-free workplace and an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin. Visit our website for more information at www.wencoconstruction.com.
